

Practical Programming and Numerical Methods  
examn project:  
#0: Lanczos Tridiagonalization Algorithm

Simon Høgh Albrechtsen, stud. nr. 201609122

June 3, 2020

My solution for the examn project can be found in my online github repository, using the following link:

<https://github.com/SimonHawk/ppnm>

The solution is found in the "/exam/" folder.

Please start by reading "/exam/README.txt", this will give an introduction to the my solution.
